LENT / February 22 - April 9, 2023

Lent

A 40-day period leading up to Easter that begins on Ash Wednesday and ends on Holy Thursday. It is a season of prayer, fasting, and works of charity (almsgiving). Lent reminds us of Jesus' preparing for his preaching, teaching, and healing ministry, all leading up to his passion, death, and resurrection during that first Holy Week. Lent reminds us of the **love** that Jesus has for the Father and for us, how Jesus unselfishly came to serve and give his life as a ransom for all of us. Love is what Lent is all about.

Ash Wednesday is February 22. Mass times are 9:00 a.m. & 7:00 p.m.

Preparing for Lent:

- If you have palms from last year and would like us to recycle for Ash Wednesday, Please place them in the basket in the Gathering Area, by February 19.
- *Lent With the Saints* – pamphlet on the bookshelf in the Gathering Area. This will help you prepare for your Lenten Journey.

Lenten Regulations

- Everyone 14 years of age or older is bound to abstain from meat on Ash Wednesday, all the Fridays of Lent, and Good Friday.
- Everyone 18 or older, and under 59 years of age, is bound to fast on Ash Wednesday and Good Friday.
- On Ash Wednesday and Good Friday, only one full meatless meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted.

When health or ability to work would be seriously affected, the law does not oblige. Catholics should not lightly excuse themselves from these prescribed minimal penitential practices.

Stations of the Cross during Lent we will recite and reflect on the Stations of the Cross, every Friday at 7:00 p.m. Everyone is welcome to join us.

The CHOSEN Season 1 will be shown on most Friday's during Lent at 7:30 p.m., following Stations of the Cross. Mark your calendars, bring your friends and family members, a comfortable chair, and encounter Jesus Christ through the experiences of those who were called by Him, cured by Him, and challenged by Him. This is not your typical movie about Jesus. Don't miss out on "Your encounter" with Him.

Episodes 1 & 2 – Feb. 24; Episodes 3 & 4 – Mar. 3;
Episodes 5 & 6 – Mar. 10; Episodes 7 & 8, Mar. 24.

THE BEST LENT EVER!

Don't be a Consumer. Be a Disciple. A free daily Lenten Experience with Matthew Kelly.

Every day, you will receive two short, practical, and inspiring videos in your inbox, each representing a pathway leading toward a better version of you and a closer relationship with God.

How it Works:

1. Sign up:
<https://www.dynamiccatholic.com/lent.html>
2. Watch the Videos. They will help you to slow down, think, and connect with God.
3. Take A Step. Use the wisdom you gain to do something generous and live the Gospel each day.

WHAT is Ash Wednesday? Ash Wednesday is the first day of Lent. Lent is the forty days (excluding Sundays) leading up to Easter. The number forty is significant as it refers to Jesus' forty days in the desert prior to beginning his ministry of teaching.

On Ash Wednesday, Catholics and some other Christian denominations receive ashes in the shape of a cross on their forehead or sprinkled on top of their head. These ashes are created from the palms used during the previous year's Palm Sunday Mass. They symbolize penance, which is appropriate as Lent is a season of penance and remind us of our own mortality. During the Mass, as the priest or lay minister applies the ashes, he say "Remember you are dust and to dust you shall return." Anyone who attends Mass can receive ashes, not just practicing Catholics.

Is Ash Wednesday a Holy Day of Obligation?

Holy Days of Obligation are days Catholics should attend Mass and do their best to avoid unnecessary work. Contrary to popular belief, Ash Wednesday is not a Holy Day of Obligation for Catholics. While it's not an obligation, many Catholics choose to attend Mass and mark the beginning of the Lenten season.

Vacation Bible School – Volunteers Needed.

I am looking for volunteers who would be interested and willing to help plan for Vacation Bible School this summer. It has been quite some time since we have offered VBS to our youth due in large part to COVID. I would like to bring it back this summer and would like to explore other options to better fit with the busy summer activity schedules, vacations, and other family events. Please call or message me if you could help bring back VBS.

FORMED – What to Watch.

- Our Lady of Lourdes feast day was February 11. There are several videos to watch that tell the story of the events that occurred in Lourdes between Our Lady (the Virgin Mary) and St. Bernadette. Two recommendations to watch are “Lourdes, a Story of Faith, Science, and Miracles”, as well as “St. Bernadette of Lourdes.”
- For kids, “Luka Storyteller” is a wonderful series of Luka the fish and his friends who tell stories of Jesus and the saints.
- As Lent is around the corner, there is a 7-week Lenten series coming called “FEARLESS” with Chris Stefanik that is set to release on Ash Wednesday.
- Lastly, under the Eucharistic Revival tab, scroll and find “The Spirit and the Eucharist”, which explains the role of the Holy Spirit in every aspect of the Mass.

Volunteerism - Stewardship

Do You Ever Feel Not Welcomed Here?

I personally apologize if any of my fellow parishioners have felt that way. I like to think that Blessed Sacrament Catholic Church is close knit and warm and welcoming. I call our parish my family and I certainly hope each of us can and does. Sometimes we fall into a groove; visit or volunteer with those we already know. It might not be noticed that someone has felt not welcomed. My goal as your Parish Life Coordinator is to get fellow parishioners to know one another, to volunteer together, to become disciples; with a welcoming mindset. With that being said, I challenge each and every one of us to get to know someone in our parish you see weekly but have never introduced yourself to. Go to Coffee Talk together and get to know one another. Make a "date" to go to Soup 'N More and chit chat. If you are a regular volunteer, invite another parishioner to volunteer with you. A simple smile and how are you today, feel good but knowing and saying an individual's name is the best. Thank you and God Bless You All!! Julie

*"Therefore welcome one another as Christ
has welcomed you, for the glory of God."*

Works of Charity Can Start by Getting Involved in Your Parish. Families exist and succeed by working together constantly to be unified. That holds true for our parish as well. We all are part of Blessed Sacrament Catholic Church's family. It takes the entire family to help it function daily. We need additional volunteers and would love for it to be you. Let the 2023 Lenten season bring you closer to God through helping your parish and one another. Take time to ask yourself how you can help. Then reach out to Julie via email julie@bscwf.org; phone the office 701.282.3321 or text her if you have her cell.

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving."

Reflections by Fr. Gary Luiten

The Sixth Sunday in Ordinary Time February 12, 2023

The gospel today is for all of us, but especially for those people who say, "I really don't sin. I don't break any of the commandments. I haven't killed anyone. I haven't robbed any banks." Jesus breaks the commandments down and points out the fact that we don't have to go all the way and kill our neighbor to be guilty of breaking a commandment, but simply becoming angry at someone is bad enough. Breaking the commandments is a bad thing. And, on the other side of the coin, keeping the commandments is a wonderful thing!

In fact, in the readings today, Jesus emphasizes the importance of keeping God's law. He is talking about the Ten Commandments. We, as inquisitive humans always want to know the why. "Why, Lord, do You want me to keep the commandments? It is sometimes a real challenge to keep them, so why should I?" In fact, sometimes they can be so challenging to keep that we may have a temptation to do the very thing we are told not to do.

The starting point we must have in answering that question is that the commandments are always for our good. Also, for those of us who need a "reason why" we should keep God's commandments, just look at what kind of world this would be if no one kept God's commandments. There would be chaos

and society wouldn't work. For example, if everyone refused to keep the command of not bearing false witness against one's neighbor, then we wouldn't be able to trust anyone. So, keeping the commandments really are for the good of society. They are given to protect us and to give us a peaceful society and to lead us to the kingdom.

May God, then, give us the grace to keep the commandments, and to have pure and generous hearts and pure wills as we live our lives in the Lord's service.

Things To Give Up For Lent

Don't eat what you want.

Never leave the dinner table without making an act of self denial. If you want waffles for breakfast, make eggs instead. Instead of drinking orange juice or pop, drink water. Self Denial is a form of FASTING. Fasting is a prayer practice that involves denying yourself something in order to increase your spiritual awareness. Strengthen a commitment, or petition for God for something you or another person really needs.

Give something away - every day.

Maybe it's not your wardrobe that needs cleaning out, but consider giving something away each day, or each week, during Lent.

Don't interrupt people.

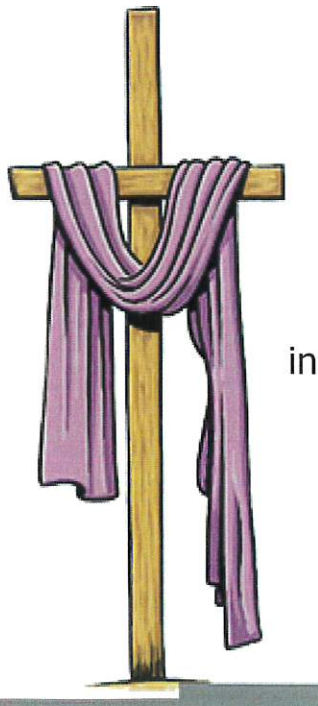

We could probably all do well to spend more time listening, and less time interjecting. God gave us TWO ears and ONE mouth. Listen more, speak less.

Stop complaining.

Have you ever stopped to think about how many times a day you complain about something? What if, instead, you find constructive ways to talk about your difficulties?

What if you look for the good in people instead of focusing on any inconvenience we experience? Think positive, speak positive.

*The
Season
of
Lent*

Don't waste downtime.

You don't have to give up social media or the like entirely, but you can be intentional about not using it during specific times. Take that time instead to pray, to breathe, to reach out to someone around you. You'll be amazed at the difference it can make in your day. This is another form of FASTING. Fasting is also about detachment, separating yourself from something that you have become overly attached to. It's a way of reclaiming your spiritual strength and regaining some balance in your life.
