Faith Formation This Week.

2nd Grade: Our 2nd grade students recently received the Sacrament of Reconciliation!! After weeks of learning, memorization, and practice; they all determined it wasn't as bad or as scary as they thought it would be!! Thank you, Father Gary, for all your help, time, and knowledge!! We are currently learning about the Holy Trinity!

4th Grade: We are learning the different areas of the church as well as about those who are called to serve. By understanding our church and our volunteers, our youth can better show their appreciation which hopefully also sparks an interest and desire to help in different roles such as altar servers, greeters, choir members and more!

BINGO continues through February and March. Our B4WOW and WOW students will host the concessions during these months. **STUDENTS:** please sign up to help – see your Catechist for the binder. **PARENTS:** please sign up with your child and support them.

CAN'T STRESS THIS ENOUGH! We need parents and other adults to help on Wednesday evenings. This would be during our Faith Formation classes. We need Hall Monitors, Classroom helpers, someone to go around taking pictures, etc. I can honestly say I learned so much more as an adult about my Catholic Faith when I got involved with our youth programs. I still learn more and more every day. ~ Julie. Make Faith Formation Wednesdays as important as sports, shopping, watching tv, etc. Jesus is here with us through eternity – no one or nothing else is.

Andes Ski Trip for Students in Grades 6-12, Monday, February 17. In case of inclement weather, the backup date is Saturday, March 1. This is a one-day trip. Fee includes transportation, lift ticket and helmet. Detailed information is available, contact the Parish Office.

Volunteerism - Stewardship

Ministry Scheduler Pro: This is up and running; however, there is still lots to learn. Thank you again to all who have jumped on and started scheduling themselves. Those who are not comfortable using the app or jumping on the computer to utilize the program please reach out to Julie.

The program is set up to send everyone reminders so Julie will not need to send out weekly reminders via text messages.

With the app, you can access the schedule any time. If you are in need of a sub or wish to swap dates, you are able to do that as well. Please contact Julie if you are having issues or would like to walk through the program. At some point Julie plans to have an overview/training on the program.

LOOKING FOR FAMILIES: As Fr. Gary stated in his State of the Parish, we continue to need volunteers to step up. The number of younger families appear to be growing. Julie would love to see these families living out their faith during mass or at other events. Please prayerfully consider getting involved. We can start you out slowly. Just think how rewarding it would be to serve the Lord during the Liturgy and doing it as a family.

Kitchen Konnection: Looking for VOLUNTEERS for the February and March meals. Contact Julie if you would like to sign up or have more questions.

Coffee Talk: Contact Julie in the parish office if you wish to host Coffee Talk. Julie will get you scheduled.

Reflections by Fr. Gary Luiten

the 3rd Sunday in Ordinary Time – Jan. 26, 2025

Jesus says in today's gospel that he came to "bring liberty to the captives." Jesus here is speaking about freedom. It becomes clear that the good news that Jesus announced was that those who were captives of sin, slaves of Satan, would be free, first through the Sacrament of Baptism and then through the Sacrament of Confession so that they could instantly enjoy eternal life after their physical death. It meant that those who were spiritually poor would finally have a living hope in Jesus. And so, the captives were all of us as members of the body of Christ.

And so God came to give us, this big group, freedom and liberty, the freedom to serve Jesus and to reach out and serve others.

The other emphasis, besides freedom, in the gospel today, is sight. Jesus has come to give us sight - sometimes restoring sight physically, and also spiritually and morally. When one thinks about the gift of eye-sight, it does two main things: it helps us go choose the good, and it also helps us to avoid evil. For example, sight helps the driver to drive straight down the road and to avoid the ditch. Spiritual sight gives us the ability to see these two realities in the world, too, leading us to go to the good and away from the evil. With the help of Christ, we are able to see and avoid the evils which are in the world today. Let us continue to pray that Jesus gives us the vision to see his presence in the world today.

Jubilee Year of 2025

Pilgrimage

The jubilee calls for us to set out on a journey and to cross boundaries. When we travel, we do not only change place physically, but we also change ourselves. Hence, it is important to prepare ourselves well, to plan the route, and learn about the destination. In this sense, the Jubilee pilgrimage begins before the start of the journey itself: the starting point is the decision to set out. The etymology of the word "pilgrimage" is quite telling and has undergone little change in meaning over the years. The word comes from the Latin "*per ager*," meaning "across the fields," or perhaps from "*per eger*" meaning "border crossing": both possible origins point to the distinctive aspect of undertaking a journey.

In the Bible, Abraham is described as a person on a journey: "Go forth from your land, your relatives, and from your father's house" (Genesis 12:1). With these words Abraham begins his adventure, which ends in the Promised Land, where he is remembered as a "wandering Aramean" (Deuteronomy 26:5). Jesus' ministry can also be seen as a journey, from Galilee to the Holy City of Jerusalem ... "As the time drew near when Jesus would be taken up to heaven, he made up his mind and set out on his way to Jerusalem." (Luke 9:51). Christ himself calls His disciples to walk this road, and even today Christians are those who follow him and set out after Him.

The journey takes place gradually: there are various routes to choose from and places to discover; it is made up of particular sets of circumstances, moments of catechesis, sacred rites, and liturgies. Along the way our traveling companions enrich us with new ways of understanding things and fresh perspectives. Contemplation of creation is also part of the journey and helps us to realize that care for creation "is an essential expression of our faith in God and our obedience to his will" (Pope Francis, Letter for the Jubilee 2025). Pilgrimage is an experience of conversion, of transforming one's very being to conform it to the holiness of God. During the pilgrimage, one also shares in the experience of those who, for various reasons, are forced to leave their homelands to seek a better life for themselves and their family.

Pilgrimages in the Diocese of Fargo

Two pilgrimages have been scheduled to take place in the Diocese of Fargo:

- **Corpus Christi Camino:** a 3-day walking pilgrimage along the North Country Trail, ending at Maryvale, Valley City, in June 2025.
- **Prairie Pilgrimage:** a 2-day bus tour of the six Jubilee sites in the Diocese of Fargo, August 25-26, 2024.

"Our Catholic schools are some of the greatest treasures of our diocese. Every day, our students receive a first-rate education while also experiencing the closeness of God through prayer, the sacraments, and instruction in the faith. The Church has consistently emphasized the value and importance of Catholic schools for handing on the gift of faith and integrating that faith into daily life. Our Catholic schools in the Diocese of Fargo are making that vision a reality."

Bishop John T. Folda

"Catholic education aims not only to communicate facts, but also to transmit a coherent, comprehensive vision of life, in the conviction that the truths contained in that vision liberate students in the most profound meaning of human freedom."

St. Pope John Paul II

"One thing sets our schools apart. They are built on the firm foundation of Jesus Christ. He permeates and gives life to every aspect of our Catholic schools."

Bishop John T. Folda

Beyond the Classroom

"St. John Paul II Catholic Schools provide an excellent academic program along with a focus on faith, family, and community. Our children are challenged to each of their God given abilities. We have seen the fruits of a Catholic education in our older children who attend college and who have been equipped with the skills necessary for successful collegiate educations, not only academically but as well in the responsibility of personal and servant leadership. JPII Schools provide a safe environment where children can learn and grow intellectually and spiritually within and beyond the doors of JPII."
